Welcome

The Parish Day School of Eastern Shore Chapel exists to promote the spiritual, social, physical, emotional and cognitive growth of the children in our care. We strive to build a strong foundation for learning and character development by calling forth the image of God in each child. We do this through play, the arts, and other developmentally appropriate experiences that allow the children to explore the world around them and to discover the world within.

Eastern Shore Chapel has a rich heritage of outreach to children, beginning with the establishment of the Parish Day School in 1962. Today, our educational outreach component is multi-faceted, with various programs available to enrich the lives of children and families in the parish and community.
